

ASK UR PAL 2023-2

Have you struggled with your academic writing and speaking in your disciplinary classes? If so, enroll in our academic writing and oral skills sessions to explore strategies and learn new vocabulary to better shape your texts. Pick the sessions of your interest according to your level and join us.

Remember

We have 6 spots. Just check the calendar and see which one suits you best. Then, go to the ASK platform and schedule your appointment. Your pal will be notified once you have done it. Afterwards, your pal will send you an invitation via Zoom, accept it and the process will be complete.

Before scheduling your session, [click here](#) and learn how to do it properly in ASK. Remember that once you book a session, you have to attend it; otherwise, you will be blocked for future Ask UR Pal sessions.

Every month, in the third week, the ASK platform will be set out so that you can book the sessions for the next month.

Be punctual to all sessions.
Please, turn on your camera when the encounter is on remote access
