

International English Exam Prep Sessions

Put them
into practice

Take part in live
(synchronous)
sessions with
English Area teachers!

Get to know the structure of different types of international exams and the most common exercises for each skill.

- Each session lasts 1 hour and focuses on a specific skill (Reading, Writing, Listening, Speaking).
- The preparation is aimed at intermediate levels B1 and B2, according to the CEFR, but the strategies can be useful for all levels.
- To participate, you must check the schedule of group tutoring sessions and enroll on the E-Aulas platform through the self-enrollment option. Participants will receive the Zoom connection link in their email shortly before the session.
- Sessions have a limited number of spots, so prior registration is required.

You can participate in as many sessions as you want!
Remember that the sessions are held remotely via Zoom.
